Louisiana 4-H'ers learn leadership, citizenship and life skills that serve them for the rest of their lives – and benefit their communities, too.

to greater loyalty,

In every Louisiana parish, LSU AgCenter 4-H agents help 4-H youth and adult volunteers develop their full potential. Some 175,000 4-H club members statewide pledge themselves to build a better community, country and world. Across Louisiana is a new generation of caring, community-minded citizens and leaders.

my Hands

4-H has been preparing young people for leadership roles for more than 100 years and continues to build the future today. Critical to this effort is support from the Louisiana 4-H Foundation.

to larger service

Founded in 1978 as a 501(c)(3) nonprofit organization, the Louisiana 4-H Foundation, affiliated with the LSU Foundation, is a permanent endowment for educational programs and scholarships. Through tax-deductible donations, the Foundation is able to help 4-H continue developing youth and building a legacy of leaders for Louisiana.

A Message from the Director

I began my work with the Louisiana 4-H Foundation in Nov. 2006. Never did I think I would have this much enjoyment fundraising for 4-H in the state I love. I have enjoyed traveling to all corners of Louisiana soliciting support for the largest youth development organization in the United States.

I am also happy to be bringing you the first Louisiana 4-H Foundation Annual Report since 2003. During the 2006-07 fiscal year, the 4-H Foundation continued its strong support of the 4-H program with more than \$100,000 for scholarships, educational trips, programs and 4-H Camp.

With the backing of LSU AgCenter Chancellor Bill Richardson and Vice Chancellor, Paul Coreil, the 4-H Foundation has a major focus of supporting the Grant Walker 4-H

Educational Center. As you may already know, the 4-H Foundation purchased approximately 30 acres of land adjacent to Grant Walker back in 2003. This land acquisition has injected new life into 4-H Camp and its programming plans.

Thanks to your generosity over the past three years, the 4-H Foundation is more than 65 percent on its way of completing the payment on this piece of property. Our plan is to donate this property to the LSU AgCenter for 4-H Camp once the purchase is complete.

The Louisiana National Guard also has helped out with more than \$100,000 worth of general labor on the property. Personnel have removed all of the buildings that were deemed uninhabitable and cleared all of the overgrown vegetation.

In the next few months, the Guard will embark on a major pond excavation project that ultimately will enable environmental education and recreational activities. Chancellor Richardson also has earmarked more than \$800,000 for improvements.

Even with so many entities providing support, private sector funding continues to play the most important role in Louisiana's 4-H program at both the state and local level.

I want to thank each and every one of you for your contributions. I look forward to the many relationships that will develop in support of the Louisiana 4-H Foundation.

Roy O. Martin Donates Land for Camp

In May 2007, the Roy O. Martin Lumber Company of Alexandria donated 1.7 acres to the Louisiana 4-H Foundation and the LSU AgCenter.

Located adjacent to the Grant Walker 4-H Educational Center in Pollock, the property allows the current 4-H property to connect to the former Windywood property that is currently being developed for future 4-H camp use.

This donation creates one contiguous campground and provides for immediate access to Big Creek, which is used for canoeing and environmental education

programs.

10th Annual Golf Tournament a Hit

More than 125 golfers traveled from all corners of the state on April 5, 2007 for the 10th Annual Louisiana 4-H Foundation Charity Golf Tournament. For the third year in a row, the event was held at Carter Plantation in Springfield. The supporters helped raise \$11,800 for the 4-H Grant Walker Educational Center in Pollock. Team pictures from this year's event can be viewed at www.louisiana4h. org/foundation. The 2008 tournament is scheduled for

Friday, April 4, 2008, at Tamahka Trails Golf Club in Marksville. If you are interested in receiving a golf team entry form or sponsorship packet, contact Eric Eskew, executive director of the Louisiana 4-H Foundation, at 225-578-2972 or eaeskew@agcenter.lsu.edu.

Terril D. Faul Scholarship to Help College-bound

Upon his retirement from the AgCenter, Terril Faul helped create a 4-H scholarship in his name. The recipient of this scholarship will be a graduating high school senior who plans to be a full-time student at any two- or four-year college in Louisiana.

Selection will be based on academic performance and 4-H achievements. The scholarship will be administered through the Louisiana 4-H Foundation and the 4-H Youth Development Scholarship Committee.

Faul served as a 4-H agent, county agent and parish chair in Vermilion Parish from March 3 to Sept. 9, 1970 and from Oct. 1, 1973, to June 30, 1989. He also

was 4-H agent in Avoyelles Parish from March 15, 1972 to Sept. 9, 1973, and district agent from July 1, 1989, to Nov. 30, 2001.

He ended his AgCenter career as head of the Department of 4-H Youth Development from Dec. 1, 2001 to Jan. 31, 2007.

Faul served as president of the Louisiana County Agriculture Agents Association and received Young Agent and Distinguished Service awards from LCAAA. He also received the Distinguished Service Award and Meritorious Award from Louisiana 4-H Agents Association and the Floyd Edmiston Award from the AgCenter.

He also is a Vietnam veteran.

Bivin Donations Establish Endowment

During her years of service to the LSU AgCenter and 4-H Youth Development, Dr. Rosalie Bivin generously contributed \$16,700 to the Louisiana 4-H Foundation through monthly employee payroll deductions. Her gift is one of the most generous given by an AgCenter employee through the payroll giving

program.

These contributions have been used to create the Rosalie Bivin 4-H Youth Development Faculty Award, a new endowed fund in the 4-H Foundation.

The interest from this account will be used each year to award and recognize a 4-H youth development faculty member for a distinguished, innovative and visionary contributions to positive youth development.

In celebration of her retirement from the AgCenter, Bivin's family and friends also presented a check for more than \$3,000 to be included in the fund in her name. These funds were collected to honor her years of service to 4-H youth development, to family and consumer sciences, to the School of Human Ecology and to the AgCenter.

Because of what she has meant to the agents doing family and consumer sciences programming, the Louisiana Extension Association of Family and Consumer Sciences (LEAFCS) donated \$200 from the organization in addition to individual contributions.

Dr. Terril Faul

Dr. Rosalie Bivin

The Rosalie Bivin 4-H Youth Development Faculty Award will be made annually to a 4-H youth development faculty member during a major conference of the LSU AgCenter to recognize that person for a distinguished program contributing to positive youth development.

Cruisin' With 4-H

The Office of Motor Vehicles has released the 4-H license plate approved in 2002. Show your commitment to the largest youth development organization in Louisiana with a 4-H license plate. Support the 4-H goal of helping our young people "learn by doing" – to acquire skills that benefit them, their families and their communities throughout their lives.

Display your support of Louisiana 4-H and the LSU AgCenter with a prestige 4-H license plate. It's a great way to promote 4-H youth development and the LSU AgCenter statewide!

The 4-H plate costs \$25 per year in addition to regular registration fees. Of that amount, \$15 goes to the Louisiana 4-H Foundation and \$10 to the 4-H Foundation in the parish where the plate is sold. Proceeds help fund various 4-H educational programs throughout the state each year.

You may apply for a 4-H plate in person or by mail. In-person is available only at the state headquarters of the Office of Motor Vehicles in Baton Rouge at 7979 Independence Blvd. But, the entire process takes less than 15 minutes!

To mail your application, write to: Attn: Special Plate Unit
Office of Motor Vehicles
P. O. Box 64886
Baton Rouge, La. 70896-4886

Whether in person or by mail:

- Submit a photocopy of your vehicle registration certificate, proof of insurance and a brief note stating that you are applying for the 4-H license plate.
- O Contact the Special & Dealer Plate unit of the Office of Motor Vehicles for fees. Have your current license plate number available. The office will then calculate the charges. Call 225-925-6371 or 1-877-368-5463. Or, go to the motor vehicles Web site at www.expresslane.org for the calculation. Please note: credit will be given on the unused portion of your current plate. Automobiles, trucks and motor homes are issued two-year validation stickers.

SWEPCO Scholarships Send 8 To Camp

Eight 4-H'ers attended the 2007 4-H Camp thanks to a new scholarship established by Southwestern Electric Power Co. of Shreveport.

SWEPCO pledged \$10,000 to fund an endowment to help 4-H'ers from Caddo, Bossier, Webster, DeSoto, Red River or Bienville parishes.

Brian Bond, second from left in back, presented a \$2,500 check to the LSU 4-H Foundation as the first installment for a \$10,000 endowment to send 4-H'ers to camp. In front are students Tiqusha Venious, Krystian Parker, Tremond Thomas, Bryce Culotta and leader Christy Presley. Back row: Troy Menard, Bond, Eric Eskew, Kenneth Loftin, Jeannie Crnkovic, Jere McBride and Ricky Kilpatrick. They are at Central Park Elementary School in Bossier City.

The SWEPCO 4-H Leadership
Scholarships will be given annually
to select 4-H'ers and pay tuition for
the week-long camping period. New
recipients will be selected annually. A
recipient may receive this award more
than one summer.

4-H Camp provides an educational opportunity for students in grades 4-6 develop a variety of life skills related to head, heart, hands and health.

Because it will take a few years to build income from the endowment,

SWEPCO made a separate \$1,200 gift to sponsor 10 campers for the 2007 4-H Camp.

Brian Bond, of SWEPCO, presented the first installment of \$2,500 to the endowment on May 23, 2007 at a ceremony at Central Park Elementary School in Bossier City. On hand were 4-H members from the school, 4-H agents from the LSU AgCenter and 4-H Foundation board members and staff.

The 2007 recipients and their parishes were Demetric Vontrez Coleman (Bienville), Sarah McCoy (Bienville), Camron Lawhorn (Bossier), Krystian Parker (Bossier), Charlie McClintock (DeSoto), Dillon Lambright (DeSoto), Gretchen and Grace Shaver (Red River), Keith Taylor (Webster).
